A movie poster for the animated film "Bee Movie". The central figure is Barry B. Benson, a cartoon bee with large blue eyes and a worried expression, floating in a pool of golden honey. His arms and legs are outstretched. The background is a warm, golden-yellow color with ripples in the honey. At the bottom, the text "OUT OF THE HIVE AND INTO TROUBLE." is written in a bold, black, sans-serif font. Below this, the DreamWorks logo is visible, followed by the title "BEE MOVIE" in large, bold, 3D-style letters that look like they are made of honey or wax.
